4. Mimi goes Swimming	54	
5. Mimi goes for a Walk	70	
6. Mimi gets Mucky	86	
7. Mimi and the Rainy Day	102	

# 1. Mimi goes shopping

This is Mimi's house...

...and this is Mimi's bed.

It is morning. Mimi climbs out of bed...

...and into Mama and Daddy's bed.

Everyone has a lovely family cuddle together.

Then it is time to get up. 'Get up!', shouts Mimi.

Everyone eats cereal for breakfast.

Mimi waves goodbye to Daddy as he leaves for work.

Mimi asks Mama for a yogurt drink.

Unfortunately, there are none left in the fridge.

‘We can buy some more yogurt drinks when we go shopping’, says Mama.

They get ready to go shopping. Mimi is fastened into her car seat.

Mama drives the car to the shop.

In the shop, Mimi sits in the trolley.

There are lots of strange people to see.

After looking around, Mimi would like to get out and walk.

She sees something interesting in the shelf.

A pair of rubber gloves to put in the trolley.

Mama does not need any rubber gloves...

...but she does need some baking paper. Mimi puts the baking paper into the trolley.

The yogurt drinks are on this shelf. Mimi takes one...

...and carefully puts it into the trolley.

Mama lifts Mimi back into the trolley.

Then Mama pays for the shopping before leaving.

Back home, Mimi helps to unpack the shopping...

...and then drinks her yogurt drink. Yummy!

Later, Daddy arrives back from work...

...and everyone has dinner together.

‘I would like some ketchup’, says Daddy.

‘Go shopping!’, replies Mimi.

**THE END.**

### 3. Mimi goes to Kindergarten

Mimi is going to kindergarten.

Please buy the rest of this book to see Mimi in the kindergarten! <http://www.drhowey.com>

Mimi is watching 'In the plinky plonk garden'.

Please buy the rest of this book to see Mimi get  
mucky! <http://www.drhowey.com>

## Quiz time

1. Can you find the shapes that are the same except for the patterns?
2. Can you find the shapes with the same patterns?
3. Can you spot the odd one out?

## The not so easy quiz for big people:

1. On which page does the sun appear?
2. How many ducks are there in the book?
3. Which story picture appears twice?
4. Which picture has a continuity error?
5. The name of which ex-Beatle's album appears in a picture?
6. Name the pattern on Mimi's dungarees.
7. Decipher the following: 8-5 21-1 25-1 29-3 49-5 57-2 90-5 98-1 117-9

Answers in volume two.

If you enjoyed this book then please rant to all your friends about it.

If you did not enjoy this book then rant to all of your friends anyway.
